Help us combat cancer in Alberta

Support

Team Rogers

We've been riding since 2016, and nothing can stop us! Team Rogers is built from a rock solid team of people from Rogers, Imagine Wireless, and their friends.

What is Tour Alberta?

Team Rogers

2023

Every year thousands of people join together to cycle 200 kms over two days through the majestic foothills. We ride to make a real difference for the most courageous Albertans who have shown their Alberta strength through a cancer experience.

The net proceeds will benefit the Alberta Cancer Foundation and directly support:

- 17 Alberta Health Services cancer centres
- 500 Clinical Trials
- Assisting patients with bill payments, groceries and rent
- Specially trained Patient Navigators at local centers

We ride for all of those affected by this terrible disease and are all personally impacted in one way or another. Thank you in advance to everyone who so generously supports Team Rogers, your support is invaluable and is helping people across Alberta!
