What is Tour Alberta?

Team Imagine

2024

Every year thousands of people join together to cycle 200 kms over two days through the majestic foothills. We ride to make a real difference for the most courageous Albertans who have shown their Alberta strength through a cancer experience.

The net proceeds will benefit the Alberta Cancer Foundation and directly support:

- 17 Alberta Health Services cancer centres
- 500 Clinical Trials
- Assisting patients with bill payments, groceries and rent
- Specially trained Patient Navigators at local centers
