

A full POS system in one sleek little package.

An all-in-one POS solution that fits any space and handles everything your business needs from payments to operations including your taxes, accounting, inventory management and rewards.

Why choose Mini?

Accept every payment type

Swipe, chip, and contactless payments (Apple Pay®, Google Pay®) – all supported out of the box.

Compact yet mighty

With a small footprint (4.2" x 8.3" x 6.7") and a bright, durable 8" screen, Mini fits anywhere while delivering full POS functionality.

Cloud-based convenience

Access your dashboard anytime, anywhere to manage sales, inventory, and staff.

Scalable for growth

From startup to scale-up, Mini grows with your business through robust hardware and hundreds of apps.

Built-in features that work for you.

Register	Take orders, modify items, and accept payments with ease.
Online Ordering	Create a custom menu page for customers to order and pay online.*
Rewards	Launch loyalty programs and marketing campaigns via third-party apps.
Customers	View customer information, purchase history, and marketing preferences.
Reporting	Access business insights from sales reports and performance metrics.
Time Clock	Manage employee schedules, timesheets, and payroll exports.

Less clutter. More productivity.

Mini keeps your counter clean and your operations running smoothly giving you more ways to serve customers and grow your business.

Mini: A full point-of-sale system in one sleek little package for Canadian businesses.
